**RESOLUTION OF THE BOROUGH OF MERCHANTVILLE,
COUNTY OF CAMDEN, STATE OF NEW JERSEY
AUTHORIZING THE BUDGET TO BE READ BY TITLE ONLY**

WHEREAS, N.J.S. 40A:4-8, as amended by Chapter 259, P.L. 1995, provides that the budget be read by title only at the time of the public hearing if a resolution is passed by not less than a majority of the full governing body, providing that at least one week prior to the date of the hearing a complete copy of the budget has been made available for public inspection in the free public library, if any, located within our municipality and a county library. If there is no county library located within the municipality, then it must be provided to any county library in the county wherein the municipality is located. Further, the public office delegated the responsibility for delivery of the copies to said libraries has completed a certification forwarded to the governing body that such deliveries were made and copies have been made available by the Clerk to persons requiring them; and

WHEREAS, these two conditions have been met;

NOW, THEREFORE, BE IT RESOLVED, that the Budget shall be read by title only.

PUBLIC HEARING ON BUDGET:

Gail Ford, 135 N. Centre Street, representing 18 residents propose reducing budget by \$80,000 recurring expenses on other line items, copy of recommendation given to council to combine staff and salary freeze. State Aid continues to be reduced. Have we gotten job descriptions? Yes. Mayor said administrative costs have been reduced. States interested in merging small towns and Merchantville will reject this item-request delaying action on this budget and make cuts. Mr. Brunton agrees with budget cutting, Police cars are needed because the car receives the worse type of wear. Mr. Waldron said that cuts were made this year. Shade Tree and Public Events were cut. We asked all departments to make cuts.

Marvin Gaskill, 102 E. Chestnut Street, has a 5 unit rental property. Taxes have increased by \$4,000 in 7 years. Propose setting a cap on tax increases for the Borough. Mr. Brunton stated that we could have reduced staff of approximately \$36,000-\$40,000 with the position of paid fire fighter and remove apartment line item, break out surplus in budget. Are we looking at the same surplus? Mrs. Moules said lost revenue-fee structures are changing and will probably be less. Mayor North stated could have opted of pension-deferred. We chose not to do this. We are working fiscally. Fire person maintains vehicles, inspections, trainings, grants. Mr. Perno said if

Fire Dept. shuts down it will cost the Borough more in the long run.

BUDGET ADOPTION: Initially the budget was not passed at the onset of the meeting. On the motion of Mr. Alloway and second of Mr. Waldron, Council voted down the 2009 budget by a three to three vote. A private session was held and the budget was then passed as it stands. On the motion of Mr. Perno and second of Mr. Brennan, Council approved the 2009 budget.
